**COMMUNICATION REGARDING APPEAL**

On July 21, 2005, Applicants filed a timely Notice of Appeal together with a "Pre-Appeal Brief Request for Review." On September 23, 2005, a Panel Decision was issued with respect to the Pre-Appeal Brief Review. That Decision indicated that the appeal should proceed.

In lieu of filing an appeal brief, Applicants have submitted concurrently a Request for Continued Examination under Rule 1.114(d). Thus, the pending appeal is now moot.

Respectfully submitted,
